Have you check to make sure that your proposed installation:

- ☐ Does not reduce the public sidewalk to less than 4' of clear space for pedestrians?
- ☐ Is at least 5' from any fire hydrant, fire call box, Police call box, other emergency facility, driveway, bus bench, red curb of a bus zone?
- ☐ Is at least 15' from any wheelchair ramp or any marked or unmarked crosswalk (as measured from the curb return) or any sidewalk café?
- ☐ Does not impede or interfere with the reasonable use of any building, activity of any business or residence or the use of any commercial window display?
- ☐ Does not result in more than five individual racks in one location?

Please attach a photo clearly showing:

(1) exactly where the rack will be installed, (2) any nearby racks, and (3) the existing sidewalk.

I have received a copy of the Mountain View News Rack Ordinance and agree to install and maintain this news rack in accordance with the ordinance. I agree to modify this installation, and/or replace a nonmodular rack with a modular rack, or permanently remove the rack from the location if deemed necessary by the City as specified in the ordinance. I agree to restore the public right-of-way to its previous condition if this rack is removed. I agree to hold the City harmless for any damages related to the installation or use of this news rack.
